

Dear student,

We are reaching out to provide you with further information about the Credit/D/Fail (Cr/D/F) standing that has been offered. Please see below for important considerations for Cr/D/F:

1. In order to be eligible to apply for the Cr/D/F standing, you **must** complete all coursework and final assessments.
2. The application form for Cr/D/F will be released on or after April 30, 2020. This date has been intentionally set so that most course grades should be available to you in your SSC. The form will allow you to apply for Cr/D/F standing for up to six courses at once.
3. The Cr/D/F standing cannot be undone at a later date. If you choose to apply for Cr/D/F standing, please do so **after** you have seen your final course percentage grade.
4. CR/D/F standing may have an impact on external scholarships or graduate program applications. Please consider the CR/D/F option carefully.
5. A list of campus-wide Cr/D/F FAQs has been developed and will continue to be revised. You can find the link to these FAQs [here](#).
6. All undergraduate MGMT courses are eligible for Cr/D/F standing.
7. Courses offered through other Faculties may or may not be eligible for Cr/D/F standing. For instance, the Irving K. Barber School has a number of courses that are not eligible for this standing. This list of courses can be found [here](#).
8. The Cr/D/F form must be submitted by May 6, 2020.

Other Reminders:

1. Late Withdrawals (W) will be accepted until May 6, 2020. You can find the form for [MGMT courses here](#). Late withdrawal requests for non-MGMT courses must be directed to the Faculty offering the course. More information can be [found here](#).
 2. Deferred Standing (SD) requests for remaining coursework and final assessments should be completed and approved before the date of the final exam. Students can find the SD form for [MGMT courses here](#).
